Yep. One is a Rank C stranger, codename "Gorilla-san".

He's large man with a strange power that allows him to strengthen his physical power.

The other is a Rank D stranger, codename "Frog-san".

He's small man with a strange power that allows him to amplify his speed.

A duo?

How you do it is up to you, but...

Capturing them is your mission.

What's the point of having us bond with the enemy?

I did. They're adorable and easy to bond with, don't you think? ♡

Who the heck came up with those code-names...?

A strange ability isn't quite that simple.

Well... You'll understand once you experience it first-hand.

Because he's a Rank C?

But we know his power, so...

Don't take it lightly, Takara-kun.

Be careful of Gorilla-san...

All we know is that one is big and one is small...

Well then, I wish you luck!!

Eh?!

Isn't quite that simple? What do you mean by that?

WHAT ARE WE GONNA DO NOW?!!

SHE CUT OFF WITHOUT EVEN TELLING US WHAT OUR TARGET LOOKS LIKE!!

A-ARIA-ONEE-SAMA?!!

THIS TASTES SO GOOD! OOH! OOH!♡

はぐ はぐ

RIBBIT"

.....

HOW CLOSE ARE THEY TO THEIR CODENAMES?!

WHAT ARE THOSE PEOPLE?!

THIS IS THE FIRST TIME I'VE HEARD A HUMAN SAY RIBBIT!!

HE'S GOING "OOH OOH" AND EATING BANANAS!!

ライジンXライジン

I don't like it, but I can't think of anything to counter that

Yeah... You're right.

What does that mean

I don't think we should go in unprepared.

Even though they look like that, they're still Rank D and C!

Th-they'll notice us!!

SHH!!

Mnn...

Hmm...

Me alone is more than enough for this.

Allow me to show you the true strength of a Rank C!!

Should we devise a plan to capture them?

Eh?

Hmph! That's such a faint-hearted thing to say!

My strange ability is...

HM-HMPH!

what are you plan-ning?

Sa-nagi-chan,

FOR REAL?!!

ANY KIND OF BUG...

WH-

The ability to freely control any kind of bug!

"Gu poison"?

Have you heard of...

Is left with a poison so strong it's capable of taking out a fully built warrior in a single bite.

And the last insect remaining

It's a hideous method to strengthen the poison of

poisonous insects by sealing them together and letting them devour each other.

That's dis-gust-ing...!

EEEK!

!!

スゥ...

This a giant centipede I brought up personally,

"Gloomy Centipede"!!

Then why didn't you just name it Gloo-chan in the first place?

But that's hard to say, so I shortened the name and call it Gloo-chan normally

Haa... Haa..

Here I go...

SH-SHUT UP!!

YOU FIND IT CREEPY TOO!!

Gloo-chan, come out!!

WHAT IF I ACCI-DENTALLY TOUCH IT?!

My strange ability of splendor♪

"MARIONETTE WORM"!!

Gloo-chan!!

Go!

IT'S REALLY HEADING TOWARDS THEM...

WHOA !!

Eh?

Ch- cheer up, Sanagi- chan.

GLOO-CHAAAAAAN!!

Yeah!! You're powers are really useful!!

Hm?

Fumi?

What are you guys?!

.....

What now ...

EHH?! AND THAT MAKES YOU RANK C?!

I can only control one at a time~!!

WANNA HAVE A DRINK WITH US- RIBBIT?

OOH! MY FAVOURITE KIND OF CUTIE- OOH♡

I suppose you're causing an outrage because you know I'm a Rank C stranger?

Ku- fufu …

I'M RANK C TOO-OOH.

secured.

Hey hey, electric Mikan-san.

Huh?

...Why are you here?

I wonder about that.

Tsk... That Aria... We could've handled that.

I came at Aria's request.

She told me to assist depending on the situation.

...Huh?

I couldn't put up with watching you in that predicament.

Not only that, you jumped out without any kind of plan and you purposely enraged your opponent for no reason at all.

You were a disgrace and full of flaws from beginning to end.

It's a miracle they didn't notice you when you were making such a racket.

Ugh ...

If it weren't for me,

You probably wouldn't be standing there right now.

H-HOW RUDE!!

JUST BECAUSE YOU'RE A LITTLE FAMOUS...

You really haven't grown up at all.

Can't you even say thank you after receiving help?

It wasn't like I was in any danger at all~

Are you sure the almighty Lightning God didn't just want to take the credit?

WH-WHAT-EVER!!

...You mean "strength" and "agility"?

Gorilla and frog?

I could've easily handled that gorilla and frog...

You're so conde-scending. No one even asked for your help~

Takara, is this that childhood friend?

No way, she's just trouble from my past.

Who are you?

You're on a first name basis with stupid Takara?

Yeah ...

Maybe you should stay away from him?

I don't know who you are, but being on a first name basis with an idiot doesn't amount to much.

What's that supposed to mean?

Huh?

Could you not leave me out of a conversation about me?

H-hey,

Ah... Jealous, are you?

Aria!

Good work every-one.

I think that's far enough, Mikan.

!!

What is the meaning of this, Aria?

Of what?

Don't play dumb.

THAT'S NOT WHAT I MEAN!!

You gladly took the job too, didn't you?

Hanana, don't say that.

I came here as emergency support.

Do you realize what might've happened.. if I hadn't come in a timely moment..

I'm talking about the outlaws this time.

Wasn't it a bit reckless to leave them to a bunch of rank E's?

Then

As long as you under-stand.

Don't do some-thing this unreason-able again.

My apolog'es... it was my mistake.

Hm

You're right.

.....

Ugh

if Mikan joins the team, then all problems are solved, right?

Huh?

WHAT'D YOU SAY, ELECTRIC MIKAN?!

And... this guy here will only slow me down.

How did it get to this?

I'm fine by myself!!

Wait a minute!

Having some comrades would be encouraging for you too, right, Mikan?

As Mikan says, just the three of you leaves me a little uneasy.

You just took them by surprise!

And you could only do it because we had their attention!!

That's the truth, isn't it?

You guys couldn't even compete with them,

and I had to clean up after you.

Jeez ....

Have a little modesty.

HUH... ARIA?!

Hmm ..

Takara has a point there.

I was also just pretending!!

Honestly... What a way to break our operation.

I would attack while Takara draws his attention!!

Not to mention that was our plan!

You don't really think you've become a God just because you're rank A, right?

Sounds interesting...

Defeat me using your teamwork then.

If you can, that is.

Whether I win or lose...

Why would I regret it?

You'll regret this, stupid Takara!

H-hmph!

...Huh?

What? What is it now?

What's with her? I don't get it...

She's just not honest with herself ..

Even though she's the one who'll regret winning.

Eh?

Well then ...

Let's get back to HQ and start planning, shall we?

Honestly, how can we even go up against such an attack?

Call it a battle, but...

Aria's our last ray of hope, huh~?

コミックス1巻、絶賛発売中です!!

TL/N: This is a parody of the real TV show, " Asa made nama tereb (TV Asahi)" (Live TV Till Dawn) a late-night TV show where the latest political issues are discussed.

Well ...

Honestly, no ideas come to mind.

and you guys need to defeat the rank A, "Lightning God".

So, Takara-kun, you're the one with all the punch-lines,

Who are you saying has the punchlines?!

YOU'RE THE ONE WHO SUGGESTED WE DO THIS!!

First of all, allow me to explain why Mikan is called the "Lightning God".

Does she have a weakness or some-thing?!

.....!!!

That's because you don't know about Mikan's ability.

H'A"!

Wow~!

Electric Mikan?!

Whoa!!

By the way, I can also display her in various poses.

An ..

Basically, Mikan's ability can be split into two.

Takara-"sama"?!

ふふ!?

OWW!

Takara-sama!!

Why are you turning red?!

By turning the area below the knees into lightning, she can move at the speed of sound.

And the ability to change her legs into lightning,

"Lightning Dash".

She turns her hand and forearm into lightning to reduce her target to ashes.

The ability to change her arms into lightning,

"Lightning Dust".

Both moves described in this page as well as her title of "Lightning God" and the two words in the series title are all pronounced as "RAIJIN" in Japanese

Because of her "Lightning Dust" and "Lightning Dash" abilities,

people began to label her as the "Lightning God".

Hm?

Wait... That's not all, right?

You mean that barrier with the orbs?

You don't have to worry about that.

Ehhh?!

I'M TOTALLY WORRIED ABOUT THAT!!

You can say it's still incomplete.

Her orb barrier is a defensive technique

but she can't stabilize it for long and only uses it as a bluff.

"Lightning Dust" and "Lightning Dash"

.....

"Incomplete", just like her name.

!!

Japanese for "Incomplete" (m kansei) is similar to "M kan"

That's what's important?

And she hasn't even given a name to her new move yet...

HOW COOL IS THAT?!

Both her moves have just two words. !!

They are too powerful,

hence they have two weaknesses.

!!

Aren't her "Lightning Dust" and "Lightning Dash" already outrageously powerful?

What are we gonna do?

B-But...

Special quality?

And the other... is a special quality of her "Lightning Dash".

Firstly, she can't use "Lightning Dust" and "Lightning Dash" simultaneously.

Of course, the barrier no different.

Mikan's ability doesn't enhance her reflexes or visual acuity.

In other words, her body can't cope with the supersonic speeds.

No matter how strong she is now, she still needs to concentrate hard to activate her abilities.

Furthermore, she leaves herself open for a short moment after she stops, in order to grasp her surroundings.

When she activates her Lightning Dash, she predicts the direction she'll go in

and protects herself with her arms.

and we can't catch her if she uses "Lightning Dash"...

We can't get in close if she uses "Lightning Dust"

Hmm~

Lighting this, lightning that... This is so complicated~

We still need to figure out a way to prevent her from using "Lightning Dust", right?

Even if we can predict where she'll stop. .

In the end, even with a weakness, I still can't see a way we can win.

You guys need to figure out the rest.

So that you can call yourselves fully-fledged strangers.

You said this was an operation!

EHHH?!!!!

That's all the hints you get.

Tsk... she's that confident, hun?

She said we can have it after you're ready.

Oh yeah, when are we having the match?

♪

Hey, Takara,

you're always saying it... But why do you call her Electric Mikan?

And there was one time when they gave out mandarins for lunch.

Ah... Despite her name being Mikan, she really loves mandarins.

Mandarin is "Mikan" in Japanese.

!!!

GYAHHHHHAAAAH!!!

.....

AHAHA

PFF!

SHUT UP, STUPID TAKARA!!

ABABABABABA!!

HA HA HA

The great Lightning God gets psyched up when it comes to mandarins!

HA

Hilarious, right?

That's so cute~

AHAHA

So what?!

And it was even funnier when she pretended it was nothing afterwards!

So it's not going until dawn?

This ended rather quickly.

You should all get some rest.

Shall we call it a day here?

You mean the pervert incident, right?

I heard it happened again.

.....

I agree~!

I hope the police will catch him soon.

GROOOSS!!!

Is that... you know?

It's been happening everyday recently, hasn't it?

I hear there's large amounts of white liquid left at the scene.

HAAH!

HAH.

Haah

ドヨーン!!

Oh yeah! It's done!!

I can finally control it!!

Gel everywhere!

Heh!

Secret training is great!

Every hero must have his training regime, right?

Guess I'll take a bit of a break.

.....

Do you have a grudge against Electric Mikan or something?

Aria...

Like telling us her weak points.

I mean ..

Aren't you working for things in our favor?

UGH!!

Even so, Mikan still has a WAAAAY bigger advantage.

Why do you ask?

OF COURSE NOT!!

Worried about Mikan?

R-REALLY?!

ALL THAT WORRY WAS FOR NOTHING THEN!!

... What do you mean?

Mikan has been fighting her fears by herself this whole time,

ever since her abilities awakened.

It also takes into account any risks it has on the user.

A stranger's rank isn't only based on their power output.

Um ...

She'll knock herself?

Eh?

If Mikan accidentally activates her power while she's sleeping... Do you know what'll happen?

For example,

There's a chance she might lose all four limbs.

!!

what do you think will happen if she's mentally unstable as well?

Say, she's asleep or unconscious in any other way,

and her arms or legs turn into lightning,

she could die.

Worst case scenario,

Or if she's loses focus and things go out of control?

.....

Up until now, except for during missions and in the bath,

she's been wearing specially-made rubber gloves and socks to keep her ability in check.

She even wears them to sleep...

Ironic, isn't it?

A powerful ability just gave her more things to be afraid of.

So, Takara-kun, could you...

You want me to be nice to her...?

Hene ...

Thanks... For telling me.

I have my own ways of connecting with her.

Sorry, Aria.

.....

But still...

Now I really can't lose to her.

Tsk ...

ELECTRIC MIKAN!!

Why does the idiot look so serious?

I knew it...

You're the pervert, aren't you?

I hope the police will catch him soon.

Another pervert incident!

Groo oss !!!

See?

Your gal is causing chaos in the world.

WHO ARE YOU CALLING A PERVERT?!

WHAT THE HELL?!

H-hey! Don't come so close...

KYAAH!!

Ouch ...

LET ME HELP YOU.

What're you doing?

GEH!!

G-GET AWAY FROM ME, STUPID TAKARA!!

!!

Close one ...

All those arguments we used to have.

This reminds me of the old days...

You really think I'll keep falling for that?

Hmph.

S-So... I don't mind if we call it off.

Part of me did get carried way by what Aria said, and...

It was childish of me.

Are You serious?

Ah?

About the match.

What the?

I-I'm just saying it for your sake!!

That's none of your con-cern!!

THAT'S RIDICU-LOUS!!

Or are you scared of fighting against me?

You can just tell me if you are!

A MATCH OR WHATEVER, I'LL DO ANYTHING TO TEACH YOU A LESSON!!

FINE!

STUPID TAKARA!!

She's so stubborn ..

HUH ...!

ALL-OUT BRAWL BETWEEN THE PITIFUL AND THE ULTIMATE! IS THERE ANY CHANCE OF VICTORY AGAINST SUCH AN OVERWHELMING POWER DIFFERENCE?!

Well then~

Let's begin operation: "Beat Mikan and make her surrender"!!

Let's make one final confirmation...

Life threatening attacks are prohibited.

This battle will continue until one side is unable to fight, or admits defeat.

Yeah.

If Takara-kun and his team wins, Mikan will join their team.

If Mikan wins, she'll drop her supervisory role over Takara-kun.

TAKARA!

THAT'S
RIGHT!

I was surprised too.

!!

!!!

Because of the large amount of gel Takara-kun excreted, in addition to Takara-kun's body itself.

These two factors combined...

mitigated the majority of the damage caused by the electricity.

Yep, but it's not a perfect insulator, so you still have some minor injuries.

Eh ...

Then... My gel is immune to lightning?

That means ...

Since my power's above the lightning god's, I'm a...

Rank S stranger.

Nope, you're still Rank E.

That's explains why even though he touched my hand earlier and...

I see...

You ...

Wh- what?

UGH!!!

You lost to me.

You know what that means, right?

WH-WHO WOULD JOIN THE LIKES OF ...

That was a total defeat.

You even lost control.

I think this entitles us to some words of apology~

I refuse to lose any more...

...Who...

"What if I lose control again?"

I bet you're thinking:

I'm talking about you.

Hmm? Scared, are you?

?

Don't worry though, your lightning...

doesn't ...

scare me one bit.

Y-you're the ones who should be grateful, though!

If you keep insisting ...

I don't mind joining your team, then!

Huuh ?!

Is that how you should be talking to the team who mopped the floor with you?!

SHUT UP!! I ALREADY SAID IT!!

Honestly... You're such a stubborn newbie!

NEWBIE?! ME?!

Yes! You're the last to join the group.

...

Heh.

Where're you going, Takara-kun?

Toilet.

I guess even they'll be fine on *their own* from now on.

Ehehe.

.....!!

.....

!!

Takara-kun.

Aria, it's you.

How'd you know I was up here?

... You noticed, huh?

I should've guessed you would.

I hope I'm wrong, but... did you ...

.....

!

It seems that my ability... is gone.

I should be glad I'm still alive...

I mean, that was a massive amount electricity

I had a feeling that something was off,

like I thought something was strange ...

Sorry ...

It might be an after-effect of Mikan's electricity,

or maybe your ability has just run out.

I honestly can't even give you a straight-up answer.

It's okay.

It was a weird ability anyway.

Takara-kun...

!

Why did you want to become a "stranger"?

Well, now that I'm no longer a stranger ...

It's a bit of a shock.

Simple.

BECAUSE IT'S COOL!!

Huh?

?..

there was this amazing stranger who always appeared on the news.

Ages ago... Although I can't remember his name or face,

He was definitely a guy who came like the wind, and left like the wind.

He could solve all kinds of disasters, incidents, and crimes in an instant.

It was around that time when society started hating strangers.

But this person didn't even flinch at the disgust and criticism.

He believed in his faith and continued helping those in need. And before anyone even realized ...

It didn't matter what difficulties stood before him, what unreasonable slander he faced, he'd always pull through.

I admired that "coolness" in him.

I guess... that's why I wanted to become a "stranger".

That's not true.

Although I didn't end up saving anyone.

He became a true hero who was acknowledged by everyone.

What happened this time,

there's no doubt that it was you who saved Mikan.

it's all okay!!

Actually,

it's unfortunate... but we need to let the others know about your situation.

Yeah ...

Ugh

Something mainstream!!

Having lost my old power means I can awaken a new one!!

I'm still walking down the path to heroism!

TEXT: PATH OF THE HERO
